

- Smooth surfaces and classical chamfers define each stone to create texture and visual structure with timeless appeal
- Square shape easily forms solid stacked and runner bond pavements or adds directionality to pathways
- Made of durable concrete that does not attract pests and is resistant to decay and fading

Concrete step stones instantly add beauty and value to any landscape. Available in a wide selection of shapes, sizes, and colors, they're very easy to install and create attractive, functional, and durable pathways and pavements. A quick way to transform your backyard into a welcoming outdoor living room, concrete step stones help your family relax and entertain guests in comfort and style.
